

# EUSIPCO 2004

**XII. European Signal Processing Conference**

**September 6-10, 2004, Vienna, Austria, <http://www.nt.tuwien.ac.at/eusipco2004>**

The 2004 European Signal Processing Conference (EUSIPCO-2004) is the twelfth biennial conference promoted by EURASIP, the European Association for Signal, Speech, and Image Processing ([www.eurasip.org](http://www.eurasip.org)), and organized by the Institute of Communications and Radio-Frequency Engineering at Vienna University of Technology ([www.nt.tuwien.ac.at](http://www.nt.tuwien.ac.at)) and the ftw. Telecommunications Research Center Vienna ([www.ftw.at](http://www.ftw.at)). EUSIPCO-2004 aims to cover all aspects of signal processing theory and applications. Sessions will include invited presentations with review character in addition to presentations of new research results. An extensive technical exhibition will also be organized.
