

European Association for Signal Processing

EURASIP is a non-profit organisation, formed in 1978 to “improve communication between groups and individuals that work within the multidisciplinary field of Signal Processing in Europe and elsewhere, and to exchange and disseminate information all over the world.”

The roles of EURASIP include:

- Provide a framework for European collaboration in signal, speech and image processing and their applications.
- Sponsor or co-sponsor conferences within Europe and the rest of the world. The main event is the annual EUSIPCO, the European Signal Processing Conference.
- Provide the EURASIP Open Library as well as a PhD Thesis Repository free of charge for the community.
- Support the following 10 journals:
 - ✓ Signal Processing (Elsevier)
 - ✓ Signal Processing: Image Communication (Elsevier)
 - ✓ Speech Communication (Elsevier)
 - ✓ EURASIP Journal on Advances in Signal Processing (Springer)
 - ✓ EURASIP Journal on Wireless Communications and Networking (Springer)
 - ✓ EURASIP Journal on Embedded Systems (Springer)
 - ✓ EURASIP Journal on Audio, Speech and Music Processing (Springer)
 - ✓ EURASIP Journal on Information Security (Springer)
 - ✓ EURASIP Journal on Bioinformatics and System Biology (Springer)
 - ✓ EURASIP Journal on Image and Video Processing (Springer)
- Award best paper prizes for its journals.
- Provide a regular EURASIP e-Newsletters to the society members by e-mail.
- Provide annually a Technical Achievement Award, a Group Technical Achievement Award, a Meritorious Service Award, and the Athanasios Papoulis Award.
- Provide annually an award to the Best Ph.D. Thesis uploaded in the EURASIP Ph.D. Library.
- Confer the grade of EURASIP Fellow upon individuals to recognize unusual distinction and accomplishments.
- Sponsor every year Seasonal PhD Schools in the field of Signal Processing and its applications.

The Membership benefits include:

- Receive a copy of the EURASIP e-Newsletters.
- Receive EURASIP Journals and selected Books by Elsevier at discounted member prices as well as publish in open access Journals at a discounted rate.
- Receive registration fee discounts at conferences co-organized by EURASIP (this offer excludes the annual EUSIPCO conference).
- Have the opportunity to contribute to a vibrant and growing professional organisation based in Europe with worldwide membership.
